Passport Photos Enclosed

(Please tick)

These photos will be used for our ongoing facial measurement & health studies.

National Insurance Number: This is helpful because we are going to be using a system from the **Office of National Statistics** that will keep us updated automatically of any twin volunteers lost from our register from death. This way we can avoid unnecessary distress wherever possible.

TWIN REGISTRATION FORM

	Twin 1	Twin 2
NHS Number:	You can find this on your medical card	You can find this on your medical card

PUBLICITY: We use publicity to promote our research and Department this includes TV, magazines and radio. We are often looking for twins who have interesting anecdotes /stories whereby twins have similar or different (or even extreme) interests or experiences.

Would you be interested in undertaking publicity to promote Department of Twin Research? YES / NO

DATA PROTECTION ACT (1998) In completing this form you are agreeing for your personal details above to be used to contact you and this may involve leaving a message saying we are calling from the "Dept of Twin Research". No personal details will be supplied to any organisation or external collaborators without your consent.

Please return completed form to: **Admin Team. Department of Twin Research. St Thomas' Hospital. FREEPOST LON7776. London. SE1 7YY**
